

CHAMPIONSHIP SPORTS BASEBALL RULES

NFHS rules with some modifications listed below.

RUN RULES. 10 runs after 4 innings. 8 runs after 5 innings, 6 after 6 innings

Coin Flip will decide Home/Away teams in pool play games. Better seed will be home team for all bracket play games.

We will play with 1 hour, 40 minute time limit. NO NEW INNING. The next new inning technically begins immediately after the 3rd out is recorded in the previous inning.

Championship Games. 7 inning Game

(Run rule is IN effect for championship game)

Courtesy runner for pitcher and catcher of record can be used. Must be last batted out if using continuous lineup. If batting 9 or 10 players and using subs, the courtesy runner must be a substitute that's not in the current batting order.

Pool play games CAN end in a tie if time runs out OR if 7 innings are completed. There are NO extra innings in pool play games.

In BRACKET PLAY, the tiebreaker will be in effect when 7 innings have been completed or the time limit has expired, whichever comes first. The International Tie Breaker will be used; the base runner is the last batter to complete an at-bat in the previous inning. At least one full inning is played, allowing each team the same chance to score. If the score remains tied, the same process is used in each inning until a victor emerges.

Games can start up to 30 minutes early. Please be ready to play early if we can get them going.

Teams can use a batting lineup of 9 players, or more with an EH(s), up to the entire roster.
